

LINEOT

LINEAR

INSPIRED BY

SIMPLICITY

However you see it, Linear can make it happen. Whatever interior you're working with and whatever mood you're trying to capture, our clean, minimal lines give you the flexibility to think creatively. Whether you're complementing historic detail or making a sleek, modernist statement, Linear helps you unshackle your imagination and do something special with every space.

FORM

LINEAR

LINEAR'S MINIMAL AESTHETIC IS DRIVEN BY SIMPLICITY OF FORM. WE'VE STRIPPED OUT EMBELLISHMENT TO CREATE RADICALLY SIMPLIFIED DESIGNS.

They're rational. They're functional. They're very beautiful. And their flexibility helps you bring pin-sharp contemporary design to any environment. Inspired by uncluttered modernism, we've created a range of styles that complement anything from a new-build apartment to a refurbished mill. Lines are clean and satisfying. Tones are subtle and muted. Doors and drawers are handleless. These are kitchens that look at home in any space. We've built enormous flexibility into all our ranges. If you want tall, wide, fitted or island units, you'll find our kitchens can flex to fit your imagination.

WHEN TEXTURES WORK HAND-IN-HAND WITH COLOURS, YOU GET A THOUSAND NUANCES OF TONE AND MOOD.

THEY THROW A SPECTRUM OF SUBTLITIES INTO THE MIX, WHICH YOU CAN USE TO ACCENTUATE LINES, MAXIMISE LIGHT OR CREATE INTRIGUING CONTRASTS.

Linear offers a varied range of finishes to help you make the most of these subtleties. You can master the art of understatement with a variety of matt designs featuring touchable textures across a variety of wood grains and colours. Or you can select from a palette of gloss designs in a spectrum of subtle shades. Whatever you choose, it will retain a soft, restrained tone that focuses attention on the sleek, simplified forms of our kitchens' minimal, modern designs.

TEXTURE

COLOUR

COLOURS DON'T HAVE TO SHOUT TO GET NOTICED.

Subtle tones make a statement of their own, exuding an understated confidence that emphasises form and adds a quiet sophistication to a room.

LIFE

LINEAR

MORE AND MORE PEOPLE ARE SEEING THE KITCHEN AS THE CENTRE OF THEIR HOME. DESIGNERS HAVE RESPONDED BY LETTING KITCHENS SPILL INTO LIVING AREAS, CREATING FLUID, MULTI-PURPOSE ENVIRONMENTS THAT MAXIMISE SPACE AND REDUCE THE NEED FOR INTERIOR PARTITIONS.

Linear's clean, simple lines and flexible units are built for this contemporary world. They let you blur boundaries, adapt to structures and complement existing period detail. You have the freedom to build up, spread out or stand alone. So your imagination is free to roam. Linear's stripped-back designs help you create stylish, adaptable spaces that can act as both a soothing escape and a hub of social activity. They help you think creatively and design clean, clutter-free environments that are the centrepiece of your home.

Kitchens for every lifestyle

To ensure the continuous development and improvement of our products, we reserve the right to make changes to the colour, design and descriptions or methods of manufacture of our furniture. Such changes may be made without prior notice and without incurring liability. In many of our products we use wood, a natural living material which will reflect a variety of grains and textures, so variances must be allowed for. Styles that feature timber, PVC, laminates and melamine finishes may incur a slight colour change over the years. The term 'solid timber' applies to door and drawer fronts only. Colour reproduction in this brochure is as accurate as printing techniques will allow. Not every showroom contains all the products featured in this brochure.
